

2016 USASF Coach Credentialing

WCCD Coach Education Workshops

There is so much that goes in to being a successful cheerleading coach. Whether you're new to the sport and want to gain an understanding of safe practices and effective techniques, or you're experienced and believe in constant education as we do, WCCD Coach Education Workshops are a great opportunity to learn.

WCCD Coaching Beginner Cheerleading Course

The booklet and accompanying certification are a precursor to the USASF Levels 1 – 5 coach credentialing program. This course is designed for new coaches and gym owners. Upon registration, coaches will receive the *WCCD Guide to Coaching Beginner Cheerleading* and the accompanying test. Coaches need a score of 75% or higher to pass. For more information about starting your career in Cheerleading contact Lyn Parker Email: lparker@worldcupcheer.com.au

USASF Credentialing

The USASF Credentialing Program tests the knowledge, expertise, and proficiency that a cheer coach possesses to safely teach building, tumbling, and toss skills in Levels 1-5. Coaches must be 16 years old at the time of testing to gain Level 1, and 18+ to be eligible for Level 2-5.

The USASF Credentialing Process

The Credentialing process involves the following:

1. Complete the WCCD application form with payment details; scan and email a PDF back to WCCD at least two weeks prior to your hands-on testing session.
2. Complete the Online component - Follow the instructions, create a username and password and complete the appropriate tests. You need 80% to pass and you may take the test up to 4 times before you are locked out. Save the certificates from each test that you pass and bring these to your testing session.
3. Complete a Practical Field Experience Validation form for Levels 3 and above.
4. Attend a WCCD Coach Education Workshop before your test. (Optional).
5. Complete the Hands-on oral assessment. – ***WCCD is happy to perform these tests via video chat!***

Coaches will choose the skill set(s) and levels at which they would like to credential:

- Building Skills (includes stunts, pyramids, transitions, inversions and dismounts) in Levels 1-5
- Tosses for Levels 2-5
- Tumbling for Levels 1-5

Credentialing is progressive; you must begin at Level 1 and complete that level successfully before moving on to Level 2, and so on through to Level 5. You may choose to test higher in levels for each particular component. i.e. Become a Level 3 USASF credentialed tumbling coach with Level 2 building credentials.
